छात्रों को लघु उद्योग विकास बैंक देगा वित्तीय मदद आईआईएम जम्मू ने बैंक के साथ एक साल के स्किल पाठ्यक्रम के लिए किया समझौता

अमर उजाला ब्यूरो

जम्मू। आईआईएम जम्मू में सोमवार को भारतीय लघु उद्योग विकास बैंक के सहयोग से स्किल टू एंटरप्राइज मॉड्यूल कार्यक्रम का आयोजन किया गया। आईआईएम जम्मू और बैंक ने, जम्मू-कश्मीर और लद्दाख के छात्रों के लिए विशेष रूप से डिजाइन किए गए एक साल के अद्वितीय स्किल टू एंटरप्राइज मॉड्यूल कार्यक्रम की पेशकश करने के लिए समझौता किया है। इसका उद्देश्य

बैंक के सीजीएम-डीजीएम के साथ आईआईएम निदेशक। स्रोत: आईआईएम

प्रतिभागियों को भविष्य में अपना व्यवसाय शुरू करने और उसका विस्तार करने के लिए आवश्यक ज्ञान और मार्गदर्शन से लैस करना

है। इस मौके पर आईआईएम के निदेशक बी एस सहाय ने बैंक के साथ समझौता भी किया।

कार्यक्रम में चार सप्ताह का व्यापक आवासीय प्रशिक्षण और आठ सप्ताह का आभासी प्रशिक्षण शामिल है। यह पाठ्यक्रम प्रतिभागियों को व्यवसाय प्रबंधन, अनुपालन, वित्त, योजना और व्यवसाय चलाने के रणनीतिक पहलुओं की गहन समझ प्रदान करने के लिए डिजाइन किया गया है। ऐसे व्यक्तियों पर लक्षित है, जिन्होंने तकनीकी पाठ्यक्रम पूरा

कर लिया है और जिनके पास मूल्यवान कौशल सेट हैं, लेकिन उनके पास अपना व्यवसाय शुरू करने के लिए आवश्यक संसाधनों की कमी है।

कार्यक्रम में बैंक के सीजीएम डॉ. शुभांशु एस आचार्य मुख्य अतिथि, जबकि डीजीएम ऋषि पांडे विशेष तौर पर मौजूद रहे। इससे पहले आईआईएम जम्मू के उद्यमिता, नवाचार और कौशल विकास केंद्र के अध्यक्ष डॉ. मुकबिल बुरहान ने कार्यक्रम का संक्षिप्त विवरण दिया।

IIM Jammu, SIDBI inaugurates skill to enterprise module programme for J-K, Ladakh youths.

The one-year STEM programme of IIM Jammu and SIDBI aims to equip participants with the knowledge and guidance to initiate and expand their businesses.

NEW DELHI: The Indian Institute of Management (IIM Jammu) in collaboration with the Small Industries Development Bank of India (SIDBI) inaugurated the skill to enterprise module (STEM) programme. SIDBI and IIM Jammu have collaborated for a one-year-long STEM programme, especially designed for students in Jammu and Kashmir and Ladakh.

The programme aims to equip participants with the knowledge and guidance to initiate and expand their businesses in the future. It also aims at bridging the gap between skill and entrepreneurship. The programme will provide an opportunity for participants to gain financial independence and create a positive impact in their communities through entrepreneurship.

SIDBI deputy general manager (DGM) Subhransu S Acharya was the chief guest and DGM Rishi Pandey was the guest of honour at the inaugural ceremony. IIM Jammu director BS Sahay presided over the ceremony.

IIM Jammu CEISD chairperson Muqbil Burhan gave a brief overview of STEM during the inaugural address. The STEM programme will provide four weeks of residential training coupled with eight weeks of virtual training. The curriculum of the programme is designed to provide participants with a thorough understanding of business management, compliance, finance, planning, and strategic aspects of running a business.

The programme is targeted at individuals who have completed technical courses and possess valuable skill sets but lack the required resources and knowledge to start their own businesses, STEM also provides an opportunity for those seeking financial independence and aiming to make a positive impact in their communities through entrepreneurship. The selected participants will receive guidance through industry mentorship and incubation, connecting them to financial institutions through credit connect schemes.

IIM Jammu launches STEM programme for future leaders

Excelsior Correspondent

JAMMU, Feb 5: Indian Institute of Management (IIM) Jammu has collaborated with the Small Industries Development Bank of India (SIDBI), for Skill to Enterprise Module (STEM) programme to equip students in J&K and Ladakh with the necessary knowledge and guidance to initiate and expand their businesses in the future.

Inaugural of the programme, held at IIM Jammu, witnessed the presence of Dr Subhraman S Acharya, CGM, SIDBI, as the chief guest, and Rishi Pandey, DGM, SIDBI, as the guest of honour. Prof B S Sahay, Director, IIM Jammu, presided over the ceremony.

In his address, Dr Subhraman S Acharya stressed that focusing on development in less developed areas is vital. "From once being called 'fragile,' we now stand as one of the world's top five economies – a significant feat, thanks to MSMEs. Your continued contributions will shape our success, and I am inspired by your ideas," he said.

Prof B S Sahay, Director, IIM Jammu, who conceived this idea for the youth of J&K and was instrumental in creating this collaboration with SIDBI, said that the Skill to

Enterprise Programme is a much-needed initiative that will enable our youth to become successful entrepreneurs. It will help them realize their full potential, create job opportunities for themselves and others, and contribute to the economic growth of our nation, he added and encouraged the youth of J&K to leverage this opportunity and create success stories for other youth to follow.

Rishi Pandey, DGM SIDBI exhorted the students to take full advantage of this opportunity. "We believe in the power of entrepreneurship to drive economic growth, and STEM is a significant step in that direction. The more passion and skill you put into your work, the more success you achieve, creating jobs for others," he said.

Dr Muqbil Burhan, Chairperson of The Centre for Entrepreneurship, Innovation & Skill Development (CEISD), IIM Jammu provided a brief overview of STEM. The vote of thanks was proposed by Dr Vivek Sharma, Chief Innovation Officer, IIM Jammu.

The selected participants will receive guidance through industry mentorship and incubation, connecting them to financial institutions through Credit Connect Schemes.

IIM, SIDBI inaugurate STEM programme for future leaders

GJ REPORT

JAMU, FEB 5: Indian Institute of Management (IIM) Jammu, in collaboration with the Small Industries Development Bank of India (SIDBI), recently launched the Skill to Enterprise Module (STEM) programme with a grand inaugural ceremony. The event, held at IIM Jammu, featured esteemed guests including Dr. Subhransu S. Acharya, CGM, SIDBI, as the Chief Guest and Rishi Pandey, DGM, SIDBI as the Guest of Honour. Prof. B.S. Sahay, Director, IIM Jammu, presided over the ceremony.

Dr. Muqbil Burhan, Chairperson of The Centre for Entrepreneurship, Innovation & Skill Development (CEISD), IIM Jammu, provided an overview of STEM, highlighting its three-phase approach aimed at comprehensive training and mentorship for participants. Chief Guest Dr. Subhransu S. Acharya praised the programme's focus on bridging the gap between skill development and enterprise creation, emphasizing the crucial role of entrepreneurship in driving economic growth.

Prof. B.S. Sahay shared

his vision behind the initiative, emphasizing the shift towards fostering job providers rather than job seekers. He encouraged the youth of Jammu and Kashmir to leverage the programme to become successful entrepreneurs and contribute to the economic growth of the nation.

Guest of Honour, Rishi Pandey expressed SIDBI's commitment to supporting small-scale industries and entrepreneurship, emphasizing the importance of skill and passion in achieving success. Former SIDBI employee R.C. Raina also encouraged participants to make the most of the opportunity presented by STEM.

Dr. Vivek Sharma, Chief Innovation Officer, IIM Jammu, delivered the vote of thanks, acknowledging the support of all stakeholders involved in the STEM initiative. The ceremony concluded with the National Anthem.

The STEM programme, designed for students in Jammu and Kashmir and Ladakh, aims to equip participants with the necessary knowledge and guidance to initiate and expand their businesses.

IIM Jammu, SIDBI inaugurate STEM Programme for future leaders

■ STATE TIMES NEWS

JAMMU: Indian Institute of Management (IIM) Jammu, in collaboration with the Small Industries Development Bank of India (SIDBI), celebrated the commencement of the Skill to Enterprise Module (STEM) programme at IIM Jammu.

The event witnessed the presence of Dr. Subhransu S. Acharya, CGM, SIDBI, as the Chief Guest, and Rishi Pandey, DGM, SIDBI, as the Guest of Honor. Prof. B.S. Sahay, Director, IIM Jammu, presided over the ceremony.

The inaugural ceremony commenced with the address by Dr. Muqbil Burhan, Chairperson of The Centre for Entrepreneurship, Innovation & Skill Development (CEISD), IIM Jammu who provided a brief overview of STEM.

He said, "The program unfolds in three meticulously planned phases, commencing

Director IIM Jammu, Prof. B.S. Sahay speaking at a programme.

with a 14-day comprehensive training initiative encompassing 216 hours of both physical and virtual training. This includes invaluable mentorship from industrial and academic experts. The emphasis lies not merely on discussing solutions but collaboratively discovering them. We eagerly anticipate the emergence of 30 distinguished enterprises as a testament to the program's efficacy."

Dr. Subhransu shared: "The STEM programme is a

crucial intervention to bridge the gap between skill development and enterprise creation. After hearing all the diverse ideas and witnessing the passion for success in this room of participants, I am confident that this program will be a triumph. Focusing on development in less developed areas is vital, and the contribution of MSMEs is immense as they provide employment to a large number of people. Each of you plays a role in shaping our nation's development by

2047. From once being called 'fragile,' we now stand as one of the world's top five economies - a significant feat thanks to MSMEs."

Prof. Sahay shared his views as, "From childhood, we were groomed to seek jobs, not create them. Today, the shift is clear as we're fostering job providers, not just job seekers. The Skill to Enterprise Programme is a much-needed initiative that will enable our youth to become successful entrepreneurs. It will help them realize their full potential, create job opportunities for themselves and others, and contribute to the economic growth of our nation. The program aims to foster innovation and entrepreneurship in J&K by providing practical training, mentorship, and access to networks of business professionals. With great ideas and the determination to work hard in the execution of those ideas, suc-

cess is inevitable."

He encouraged the youth of J&K to leverage this opportunity and create success stories for other youth to follow."

Rishi Pandey, DGM, SIDBI, mentioned "SIDBI is delighted to partner with IIM Jammu in launching the STEM programme, an initiative that aligns with our mission to support and promote small-scale industries."

R.C. Raina, Former employee, SIDBI and a resident of Jammu and Kashmir, stated, "I hope each one of you gives full concentration, devotion and utilizes your time well at this program so that when you come out of this program, you will be well equipped to handle your own enterprises and drive them towards profitable ventures."

The vote of thanks was proposed by Dr. Vivek Sharma, Chief Innovation Officer, IIM Jammu.

Innovation meets Enterprise: IIM Jammu and SIDBI inaugurate STEM programme for future leaders"

JAMMU BULLETIN NEWS
JAMMU, FEB 5:

Indian Institute of Management (IIM) Jammu, in collaboration with the Small Industries Development Bank of India (SIDBI), celebrated the commencement of the Skill to Enterprise Module (STEM) programme with a grand inaugural ceremony. The event, held at IIM Jammu, witnessed the esteemed presence of Dr. Subhransu S. Acharya, CGM, SIDBI, as the Chief Guest, and Shri Rishi Pandey, DGM, SIDBI, as the Guest of Honor. Prof. B.S. Sahay, Director, IIM Jammu, presided over the ceremony, which began with the ceremonial lighting of the lamp and a warm welcome. Special Invitee was Mr. R.C.Raina, Former Employee SIDBI and resident of Jammu and Kashmir. The inaugural ceremony commenced with the address by, Dr. Muqbil Burhan, Chairperson of The Centre for Entrepreneurship, Innovation & Skill Development (CEISD), IIM Jammu who provided a brief

overview of STEM.

IIM Jammu and SIDBI have joined forces to offer a unique one-year-long Skill to Enterprise Module (STEM) programme specially designed for students in Jammu and Kashmir, and Ladakh. The programme aims to equip participants with the necessary knowledge and guidance to initiate and expand their businesses in the future.

The STEM programme entails a comprehensive four weeks of residential training coupled with eight weeks of virtual training. This curriculum is designed to provide participants with a thorough understanding of business

management, compliance, finance, planning, and strategic aspects of running a business. Targeted at individuals who have completed technical courses and possess valuable skill sets but lack the required resources and knowledge to start their own businesses, STEM also provides an opportunity for those seeking financial independence and aiming to make a positive impact in their communities through entrepreneurship. The selected participants will receive guidance through industry mentorship and incubation, connecting them to financial institutions through Credit Connect Schemes.

contributions will shape our success, and I am inspired by your ideas. It is heartening to witness the collaboration between IIM Jammu and SIDBI to empower the youth of Jammu and Kashmir, fostering a spirit of entrepreneurship."

Prof. B.S. Sahay, Director, IIM Jammu, who conceived this idea for the youth of J&K and was instrumental in creating this collaboration with SIDBI shared his views as, "From childhood, we were groomed to seek jobs, not create them. Today, the shift is clear as we're fostering job providers, not just job seekers."

The Skill to Enterprise Programme is a much-needed initiative that will enable our youth to become successful entrepreneurs. It will help them realize their full potential, create job opportunities for themselves and others, and contribute to the economic growth of our nation.

Innovation Meets Enterprise: IIM Jammu and SIDBI Inaugurate STEM Programme for Future Leaders

REG. EXPRESS BUREAU
JAMMU, FEB 5

Indian Institute of Management (IIM) Jammu, in collaboration with the Small Industries Development Bank of India (SIDBI), celebrated the commencement of the Skill to Enterprise Module (STEM) programme with a grand inaugural ceremony. The event, held at IIM Jammu, witnessed the esteemed presence of Dr. Subratou S. Acharya, CGM, SIDBI, as the Chief Guest, and Shri Rishi Pandey, DGM, SIDBI, as the Guest of Honor. Prof. B.S. Saha, Director, IIM Jammu, presided over the ceremony, which began with the ceremonial lighting of the lamp and a warm welcome.

The inaugural ceremony commenced with the address by Dr. Mughl Bhatnagar, Chairperson of the Centre for Entrepreneurship, Innovation & Skill Development (CEISD), IIM Jammu who provided a brief overview of STEM. He said, "The program unfolds in three meticulously planned phases, commencing with a 14-day comprehensive training initiative encompassing 216 hours of both physical and virtual training. This includes invaluable mentorship from industrial and academic experts. The emphasis lies not merely on discussing solutions but collaboratively discovering them. We eagerly anticipate the emergence of 30 distinguished enterprises as a testament to the program's efficacy."

Chief Guest Dr. Subratou S. Acharya, CGM, SIDBI, shared, "The STEM programme is a crucial intervention to bridge the gap between skill development and enterprise creation. After hearing all the diverse ideas and witnessing the passion for success in this room of participants, I am confident that this program will be a triumph. Focusing on development in less developed areas is vital, and the contribution of MSMEs is immense as they provide employment to a large number of people. Each of you plays a role in shaping our nation's development by 2047. From once being called 'fragile,' we now stand as one of the world's top five economies - a significant feat thanks to MSMEs. Your continued contributions will shape our success, and I am inspired by your ideas. It is heartening to witness the collaboration between IIM Jammu and SIDBI to empower the youth of Jammu and Kashmir, fostering a spirit of entrepreneurship."

Prof. B.S. Saha, Director, IIM Jammu, who conceived this idea for

the youth of J&K and was instrumental in creating this collaboration with SIDBI shared his views as, "From childhood, we were groomed to seek jobs, not create them. Today, the shift is clear as we're fostering job providers, not just job seekers. The Skill to Enterprise Programme is a much-needed initiative that will enable our youth to become successful entrepreneurs. It will help them realize their full potential, create job opportunities for themselves and others, and contribute to the economic growth of our nation. The program aims to foster innovation and entrepreneurship in J&K by providing practical training, mentorship, and access to networks of business professionals. With great ideas and the determination to work hard in the execution of those ideas, success is inevitable." He encouraged the youth of J&K to leverage this opportunity and create success stories for other youth to follow."

Guest of Honor Shri Rishi Pandey, DGM, SIDBI, mentioned "SIDBI is delighted to partner with IIM Jammu in launching the STEM programme, an initiative that aligns with our mission to support and promote small-scale industries. We believe in the power of entrepreneurship to drive economic growth, and STEM is a significant step in that direction. As entrepreneurs, you're the leaders of your organizations, handling everything from small tasks to big responsibilities. Being skilled in every aspect of daily work is crucial. Entrepreneurs are resilient, smart, and can overcome any challenge. The more passion and skill you put into your work, the more success you achieve, creating jobs for others. Joining IIM Jammu gives you the best mix of theory and practice. Take full advantage of this opportunity because entrepreneurship is not just a job; it's a powerful calling."

Mr. R.C. Rama, Former employee, SIDBI and a resident of Jammu and Kashmir, stated, "It is a matter

of immense pride that Jammu has all the three prestigious institutes - IIT, IIM and AIMS. Getting an opportunity to be a part of programs such as STEM is a huge opportunity. I hope each one of you gives full concentration, devotion and utilizes your time well at this program so that when you come out of this program, you will be well equipped to handle your own enterprises and drive them towards profitable ventures." The vote of thanks was proposed by Dr. Vivek Sharma, Chief Innovation Officer, IIM Jammu, expressing gratitude to all the dignitaries, participants, and collaborators for their support and commitment to the STEM initiative. The inaugural ceremony culminated with the National Anthem. IIM Jammu and SIDBI have joined forces to offer a unique one-year-long Skill to Enterprise Module (STEM) programme specially designed for students in Jammu and Kashmir, and Ladakh. The programme aims to equip participants with the necessary knowledge and guidance to initiate and expand their businesses in the future.

The STEM programme entails a comprehensive four weeks of residential training coupled with eight weeks of virtual training. This curriculum is designed to provide participants with a thorough understanding of business management, compliance, finance, planning, and strategic aspects of running a business. Targeted at individuals who have completed technical courses and possess valuable skill sets but lack the required resources and knowledge to start their own businesses, STEM also provides an opportunity for those seeking financial independence and aiming to make a positive impact in their communities through entrepreneurship. The selected participants will receive guidance through industry mentorship and incubation, connecting them to financial institutions through Credit Ceasee Schemes.

IIM Jammu and SIDBI Initiate STEM Programme to Empower Youth with Entrepreneurship

IIM Jammu, in collaboration with SIDBI, launches the Skill to Enterprise Module (STEM) programme, aiming to foster entrepreneurship and boost economic growth in J&K and Ladakh.

[Dil Bar Irshad](#) 05 Feb 2024 20:40 EST

In a landmark collaboration, the Indian Institute of Management (IIM) Jammu and the Small Industries Development Bank of India (SIDBI) have launched the Skill to Enterprise Module (STEM) programme. The partnership aims to bridge the gap between skill development and entrepreneurship, fostering a wave of innovative startups in Jammu & Kashmir and Ladakh.

Fostering Entrepreneurship with STEM

The inauguration event, which took place at IIM Jammu, witnessed prominent figures including Dr. Subhransu S. Acharya, the Chief General Manager of SIDBI, Rishi Pandey, Deputy General Manager of SIDBI, and Prof. B.S. Sahay, Director of IIM Jammu. During his address, Dr. Subhransu emphasized the **critical role** of the STEM programme in bridging skill development and enterprise creation, underlining the significant role of Micro, Small & Medium Enterprises (MSMEs) in India's economy.

STEM: A Game-Changer for Youth

Dr. Muqbil Burhan, Chairperson of the Center for Excellence in Innovation, Sustainability, and Development (CEISD) at IIM Jammu, outlined the STEM programme in detail. The initiative, a 14-day intensive training spanning 216 hours, includes mentorship from industry experts and aims to culminate in the creation of 30 distinguished enterprises. The programme is designed to empower youth and equip them with the necessary knowledge to **initiate and expand their businesses**.

Shaping the Future of Business

Prof. Sahay spoke about the cultural shift towards entrepreneurship and innovation, especially in J&K. He stressed the programme's potential to empower youth to transition from job seekers to job creators. R.C. Raina, a former SIDBI employee, encouraged participants to utilize the programme effectively, ensuring the success of their future enterprises. The event concluded with a vote of thanks by Dr. Vivek Sharma, Chief Innovation Officer at IIM Jammu.
